PROCUREMENT COMMUNICATION AND ADDENDUM DOCUMENTATION
October 14, 2026

Procurement Title: Cybersecurity, Compliance and Managed Services

RFP Number: RFP#9302026-2

Funding Source: Federal grant funds through the Rural Health Transformation Program administered by the Centers for Medicare & Medicaid Services through the Alabama Department of Economic and Community Affairs

Communication Distribution: To ensure an open and competitive procurement process, this response is being distributed uniformly to all known prospective respondents via email. APHCA provides all responses, clarifications, revisions, and technical corrections in writing to ensure an open, fair, and competitive procurement process. No oral interpretation, discussion, or representation is binding. Only written addenda or written responses issued by APHCA shall modify or clarify solicitation requirements. Respondents are responsible for reviewing all issued addenda and incorporating applicable changes into their proposals.

Method of Distribution: Email distribution list and public posting at www.alpha.com

Subsequent Communication Documentation:

1. Procurement Schedule Revision
2. Technical Corrections

Impact of Supplement RFP Communication: Updates, revisions, technical corrections, and related responses to vendor questions do not materially affect the scope of the original Request for Proposal issued October 1, 2026.
