

Alabama Primary Health Care Association
PROCUREMENT COMMUNICATION AND ADDENDUM DOCUMENTATION
October 22, 2026

Procurement Title: Revenue Cycle Software with Artificial Intelligence

RFP Number: RFP#9302026-1

Funding Source: Federal grant funds through the Rural Health Transformation Program administered by the Centers for Medicare & Medicaid Services through the Alabama Department of Economic and Community Affairs

Communication Distribution: To ensure an open and competitive procurement process, this response is being distributed uniformly to all known prospective respondents via email. APHCA provides all responses, clarifications, revisions, and technical corrections in writing to ensure an open, fair, and competitive procurement process. No oral interpretation, discussion, or representation is binding. Only written addenda or written responses issued by APHCA shall modify or clarify solicitation requirements. Respondents are responsible for reviewing all issued addenda and incorporating applicable changes into their proposals.

Method of Distribution: Emailed to known vendors

Subsequent Communication Documentation:

1. Addendum #2, Clarifications and Revisions

Impact of Supplement RFP Communication: Updates, revisions, technical corrections, and related responses to vendor questions do not materially affect the scope of the original Request for Proposal issued October 1, 2026.

Procurement Point of Contact: Erin Harvey, eharvey@alphca.com

ADDENDUM 2: Revenue Cycle Software with Artificial Intelligence

RFP #9302026-1

Revisions and clarifications are provided by RFP section and tracked in **red**.

3. Procurement Schedule (Previously issued in Addendum 1, 10/14/2026)

To support the anticipated selection and implementation timeline, APHCA intends to operate according to the following schedule:

Activity	Date
RFP released	October 1, 2026
Questions due	October 9, 2026
Answers/addenda issued	October 14, 2026
Proposals Due	November 6, 2026, 4:30 pm CT
Notification of demonstration to highest-scoring respondents	November 16, 2026, 4:30 pm CT
Vendor demonstrations by invited highest-scoring respondents	November 30, 2026
